

# PDF Manager

For SuperOffice CRM

## Convert SuperOffice CRM documents to PDF directly from SuperOffice CRM

With PDF Manager you can convert any SuperOffice CRM document to a PDF copy by a single click with the mouse. This new PDF copy is automatically saved in the SuperOffice CRM document archive.

### Maintain information integrity

PDF files look exactly like the original document and preserve source file information - text, drawings, full-color graphics, photos, and even business logic. PDF Manager can handle all this in a easy and efficient way.

### Advantages with the PDF format

With PDF (Portable Document Format), invented by Adobe Systems and perfected over 15 years, you can capture and view information, this information can be shared with anyone around the world.

Without any specific demands for applications, or computer system. Individuals, businesses, and government agencies everywhere trust and rely on the PDF format to communicate their ideas and business notes.

With PDF Manager it is furthermore possible to password protect your PDF file. This will help to ensure that no information can be changed by the recipient.

### PDF for all SuperOffice CRM users

With PDF Manager every SuperOffice CRM user is granted access to converting SuperOffice CRM documents to PDF.

To create PDF copies from SuperOffice CRM the users need no other applications installed - everything is included with PDF Manager.

All documents created with PDF Manager are also available on Travel. There is no need for any other components than PDF Manager, in order to create PDF copies from your SuperOffice CRM documents.

### System requirements

Minimum SuperOffice CRM 5 v5.6 - SR-2

Further more the application that was used to create the original documents has to be installed on the PC used to generating the PDF copy. In practice this means that if you want to generate a PDF copy from a Word document, Word must be installed on your PC.
